# ALL ABOUT 'PARCEL 2 GO'

- 'Parcel 2 Go' is an all inclusive Door to Door Air-Freight service operating from the United Kingdom into the South Island, marketed by Gateway Cargo Systems(S.I) Ltd in conjunction with SBS Worldwide.
- 'Parcel 2 Go' provides you with a convenient Door to Door rating structure regardless of weight.
- The published rates are all inclusive with the exception of local N.Z Customs an MAF charges and pick-ups from Scotland, Ireland and some of the outer counties like Cumbria and Cornwall etc.
- Our Service departs London Heathrow every Friday night and arrives direct into Christchurch at midday the following Monday all things being equal. We always endeavor to get shipments out for delivery on the same day as arrival.
- Cut-Off Day for pick-ups is Wednesday's to be absolutely sure of making the Saturday flight. We can pick-up later but with no guarantee we'll get it to London Airport in time to make the weekly service to Christchurch.
- You must notify us locally of ALL orders so we can co-ordinate pick-up and dispatch with our U.K Agents SBS LOGISTICS.
- Yes, sure we can deliver to other South Island destinations. For all shipments: Up to 50kg add NZD 25.00  
50 to 100kgs add NZD 50.00
- 'Parcel 2 Go' has a weight limit of 50kgs. For shipments over this give Paul a call on (03) 358-7580.
- Delivery can be executed outside the weekly scheduled service but a surcharge will apply.
- Receipted shipments must comply with both IATA and U.K Aviation Security Regulations. This means no hazardous shipments and remember 'the rated weight is always the greater of the actual weight versus the volumetric size' using the airline conversion factor of 6,000cc = 1kg.
- If you are not on the N.Z Customs Departments Deferred Payment Scheme, any G.S.T/Duty disbursements are going to need to be made either prior to or upon delivery.
- Rates effective as at September 2009 and may change with/without notice as well as being subject to our conditions of trade and carriage details of which are available on request and via our website.
